## SEMI-ANNUAL AIDS RELATED EXPENDITURES REPORT JANUARY – JUNE 2001

MEDI-CAL REPORT DATE: August 30, 2001  
Internet Homepage - <http://www.dhs.ca.gov/mcss>

Included is data from Medi-Cal Fee-For Service claims paid during the 6-month report period for persons believed to have HIV-related diseases. Our selection criteria include International Classification of Disease (ICD-9) diagnosis code 042 or a prescription claim for drugs commonly used for the treatment of AIDS. Claims for persons who have met any of the selection criteria since July 1994 are selected and summarized in this report.

Please note that as more Medi-Cal beneficiaries are moved into managed care arrangements, AIDS related expenditures become increasingly understated. This is due to our current data systems limitations in capturing expenses attributable to persons with HIV infection in managed care.

Information is displayed by age group. However, age is calculated at time of service rather than time of infection, as this is all we have available.

Please direct inquiries related to data in this report to Celine Donaldson at (916) 657-0931 or e-mail to [CDONALD2@DHS.CA.GOV](mailto:CDONALD2@DHS.CA.GOV).

Prepared by the Department of Health Services

1. For Number of Recipients, please report an UNDUPLICATED number of clients actually served during the report period.
2. For Services, please report number of services actually provided to recipients.
3. Count as Infants, those children actually born with HIV infection, or HIV-Related Diseases, or those who develop HIV infections in the first year of life.
4. Count as Adolescents those children under age 21 who are not defined as Infants in #3 above.
